L. Y. BALLENTINE
COMMISSIONER

AN INVITATION FROM THE COMMISSIONER OF AGRICULTURE

THE NORTH CAROLINA STATE FAIR WILL OPEN ON OCTOBER 12 TO THE BIGGEST AND MOST SPECTACULAR EXHIBITION OF ITS HISTORY. THE FAIR'S CONTINUING GROWTH AND SUCCESS IS A TRIBUTE TO THE WORK AND SUPPORT OF THE PEOPLE OF NORTH CAROLINA.

THE THEME FOR 1964, "FOOD AND THE FUTURE," IS ONE OF IMPORTANCE TO EVERY CITIZEN OF THE STATE; AND ITS PRESENTATION IN THE THEME EXHIBIT SPACE AND IN OTHER EXHIBITS WILL SHOW A SURPRISING PICTURE OF WHAT FOOD PRODUCTION AND PROCESSING MEANS TO NORTH CAROLINA TODAY AND WHAT IT CAN OFFER FOR THE FUTURE.

OF THE IMPORTANT "FIRSTS" IN MANY DEPARTMENTS OF THE FAIR, TWO HAVE A DIRECT BEARING ON THIS YEAR'S THEME. TO THE MARKET STEER SHOW HAS BEEN ADDED A STEER CARCASS CONTEST; AND IN THE SWINE SHOW, A MARKET BARROW CONTEST, SO THAT VISITORS CAN SEE BOTH THE LIVE ANIMALS SELECTED FOR GOOD MEAT QUALITY AND THE MEAT ITSELF ON EXHIBIT IN A REFRIGERATED COOLER.

EACH YEAR THE FAIR MANAGEMENT HAS SOUGHT TO BRING IN MORE FEATURES WHICH COMBINE ENTERTAINMENT AND EDUCATION. TWO SUCH, WHICH WERE OUTSTANDING SUCCESSSES LAST YEAR, WILL BE REPEATED THIS YEAR. A NARRATED PROGRAM OF FIREWORKS EACH NIGHT WILL PRESENT A TRIP AROUND THE WORLD, SHOWING THE SYMBOLS OF MANY NATIONS. THE FORM OF PRESENTATION WILL BE SIMILAR TO THE 1963 PROGRAM, WHICH ILLUSTRATED 300 YEARS OF NORTH CAROLINA HISTORY. ANOTHER REPEAT WILL BE THE PARACHUTE JUMP BY THE GOLDEN KNIGHTS, CHAMPION PARACHUTISTS FROM THE UNITED STATES ARMY PARACHUTE TEAM, WHICH THRILLED GRANDSTAND AUDIENCES LAST YEAR.

A BRAND NEW ENTERTAINMENT-EDUCATION FEATURE WILL BE PERFORMANCES BY THE SHOW TEAM OF THE ROYAL CANADIAN MOUNTED POLICE, PRESENTING 32 HORSES AND RIDERS IN AN EXCITING MUSICAL DRILL. THIS WILL BE THE FIRST TIME THESE MAGNIFICENT MOUNTIES HAVE EVER APPEARED IN THE SOUTH.

IMPROVEMENTS TO THE FAIR FACILITIES HAVE CONTINUED. THIS YEAR VISITORS WILL FIND MORE BLACK TOPPING IN THE EXHIBIT AREA, MORE PARKING SPACE, AND OTHER IMPROVEMENTS TO ENHANCE THEIR COMFORT AND CONVENIENCE.

EACH YEAR THE NORTH CAROLINA STATE FAIR BECOMES MORE TRULY THE SHOWCASE OF THE GREATEST AND MOST PROGRESSIVE STATE IN THE SOUTH! COME--BRING YOUR FAMILY AND FRIENDS--TO SEE WHAT NORTH CAROLINA HAS DONE AND WILL DO IN THE FUTURE. IT IS MY SINCERE BELIEF THAT YOU WILL GO AWAY WITH EVEN GREATER PRIDE IN YOUR STATE FAIR AND YOUR STATE.

SINCERELY YOURS,

In Memoriam

Information And General Rules For Exhibitors And Patrons

Exhibitors and patrons are sincerely requested to make constructive criticisms and offer helpful suggestions toward bettering any part or department of this, YOUR STATE FAIR.

Please report any discourtesies by gatemmen, concessionaires, showmen, or others connected with the Fair. If, for any reason, there is a misunderstanding about admission at gates or elsewhere, please pay the admission price asked, take a receipt for same, and come direct to the Manager's office. Please do not block traffic and delay others by prolonged arguments with ticket-sellers, gatemmen and ticket-takers who are working on strict orders from the management and are not allowed to vary from them.

Concessions and attractions are granted privileges on the grounds to supply the necessary wants, comforts, conveniences and pleasures of the patrons. The management will not accept or knowingly allow the continuance of any concession, show or other attraction of a questionable nature or a demoralizing tendency, nor will any concession be permitted where the business is conducted in other than a legitimate and legal manner.

Drunkenness, quarreling, or the use of profane or obscene language will not be allowed on the grounds. No begging will be permitted.

No peddling, hawking or selling of any kind will be allowed in the buildings or on the grounds except by special license obtained from the Manager.

All dining halls, lunch stands, refreshment booths and other places dispensing food and beverage must be substantial in structure and neat in appearance. They must meet all health regulations and must sell only good, wholesome food and pure honest goods at reasonable prices which must be approved by the Fair management and displayed in a prominent place.

The management of the State Fair reserves the right to amend, add to and interpret the foregoing and following Rules and Regulations, and to arbitrarily settle and determine all questions and differences in regard thereto, or otherwise arising out of, connected with, or incident to the Fair. In the event of conflict between the General Rules and the special rules which appear as headnotes of the various divisions and departments of the Fair, the latter will take precedence.

Disregard of any rule, or misrepresentation on the part of the exhibitor, concessionaire or patrons will forfeit all premiums won, privileges granted, fees paid, and rights to further participation in the Fair.

SERVICES

The Southern Bell Telephone Company will maintain complete service and toll stations at convenient points on the Fairgrounds.

An Information Bureau and office for reporting and recovery of lost and found articles will be maintained on the State Fairgrounds. This service is free and will be cheerfully given. Please do not ask for the use of the Public Address System to locate "lost" persons except small children and in emergencies, or where school bus drivers and other group leaders desire to announce departure times.

An office for the use and convenience of representatives of the Press, and Radio and Television Stations, will be maintained with telephones, typewriters, and other facilities. It will be a pleasure to supply authentic information of news value about the Fair, including lists of premium awards and photographs. Arrangements may be made in advance for special Press, Radio and Television coverage of the Fair by competent trained personnel.

The American Red Cross will maintain an emergency hospital and first aid station at the *Lounge*, with trained attendants in charge at all times.

Toilet facilities for men and women have been substantially increased in recent years. ATTENDANTS ARE NOT ALLOWED TO CHARGE FOR USE OF THESE FACILITIES.

In order for the State Fair to maintain a complete file of pictures for the use of Press and Television services, exhibitors and patrons are requested to cooperate with the Official Photographer of the Fair. Exhibitors are under no obligation to purchase pictures, but may arrange directly with the photographer for this service if they so desire.

Decoration and sign painting service, at nominal charges, will be available to exhibitors and can be arranged through the Information Desk at the Manager's office.

A feed and forage concession will be operated for livestock exhibitors. Grain, hay, straw and other supplies will be available at prevailing prices. The Fair will furnish free the original bedding for each stall and pen, but exhibitors are required to care for and feed their own animals and they must keep stalls and pens clean and well bedded thereafter.

The State Fair will employ police, guards and traffic directors, and will use diligence to promote safety and protection of patrons, and their exhibits and property on the Fairgrounds. But, under no circumstances will the Fair or any of its officers and employees be responsible for loss or damage to persons and their property (including entries, exhibits, automobiles in parking lots, and articles left in cars) because of accidents, theft, fire, the elements, or other conditions.

Articles and animals shipped or mailed to the Fair for exhibit will be accepted only if ALL CHARGES ARE PREPAID. Be sure packages mailed or shipped are properly addressed in accordance with instructions for shipment listed later in this section under 'Exhibits and Exhibitors.' Mail and parcels addressed to exhibitors, patrons, concessionaires and others connected with or attending the Fair should be called for at the Manager's office. No responsibility can be assumed for delivery. Messages telephoned, telegraphed or delivered to the Manager's office for persons exhibiting at, attending or connected in any way with the Fair, will be accepted for de-

livery only at the convenience of the Office Staff, and as time permits. No responsibility will be assumed for delay or non-delivery of such messages.

Passes are issued only to exhibitors who must constantly attend their exhibits, or as a courtesy for some service rendered for which the State Fair is unable to pay. To these the Fair management is grateful and ask that the use of such passes be confined to the person to whom they are issued.

Sufficient electric light and power service will be furnished by the Fair to properly illuminate and service the exhibition buildings and grounds. Exhibitors and concessionaires requiring individual electric light and power service in their booths and stands may obtain same upon written application and payment when service is installed and connected. **ONLY THE OFFICIAL STATE FAIR ELECTRICIANS MAY MAKE INSTALLATIONS AND CONNECTIONS.**

Where outside wiring is necessary, a fixed charge of \$5.00 will be made for each 50 feet or fraction thereof for making connection.

If located inside of building where wiring exists, any additional labor or material must be paid for by the applicant.

No service will be given for less than minimum charge of \$5.00.

The charge for electric current for power and lights will be as follows: 6¢ per kilowatt hour. Motors will be rated on amperage per kilowatt hour.

The current is alternating single phase, or 3-phase, 60 cycles, 120-220 volts.

Electric stoves, grills, percolators, waffle irons, and all electrical equipment will be charged for at the regular rate. These must not be connected until Fair Electrician has granted permission.

Trucks and other vehicles to service exhibits and concession stands will be permitted on the grounds **ONLY** between the hours of midnight and 10:00 a.m., and between 5:00 p.m. and 6:00 p.m. daily. Permits for entry of service trucks and vehicles must be obtained in advance of the opening of the Fair from the Manager's office.

Additional information to that contained in this publication, and interpretation of any of the rules and regulations of the Fair may be obtained by writing or communicating with: **MANAGER, N. C. STATE FAIR, P. O. BOX 5565, RALEIGH, N. C. (Telephone: TEmple 2-7549).**

Competition is OPEN TO THE WORLD in the Rabbit Department, Dairy Cattle Department, Hereford, Aberdeen-Angus and Shorthorn classes of the Beef Cattle Department, the Market Cattle Show and Sale, and in the Swine and Sheep Departments. Certain poultry classes are open to exhibitors of Florida, Georgia, Maryland, South Carolina, Tennessee and Virginia, as well as North Carolina. In all other divisions and departments competition is LIMITED TO RESIDENTS OF NORTH CAROLINA. NO DEPARTMENT SUPERINTENDENT OR DIRECTOR, OR MEMBERS OF THEIR IMMEDIATE FAMILIES MAY ENTER EXHIBITS IN THEIR RESPECTIVE DEPARTMENTS.

All entries (with exceptions noted in the Livestock Division for group classes) must be made in the name of the owner, breeder, manufacturer, grower, producer or one whose skill the exhibit represents. A firm, to be entitled to exhibit as such, must have been organized not less than 30 days prior to the closing date for entries, and such firm must have been organized as a bona fide firm for the purpose of producing, or buying and selling the articles or animals it proposes to exhibit in the name of such firm. A firm will be regarded as one exhibitor.

Official printed forms MUST BE USED in making applications for entry. One will be found in the back of this book. One side of the form is for Livestock entries ONLY; the other side is for entries in all other departments of the Fair. USE A SEPARATE FORM FOR ENTRIES IN EACH DEPARTMENT. *Be sure to fill out the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address.

Additional application forms are available upon request to: MANAGER, N. C. STATE FAIR, P. O. BOX 5565, RALEIGH, N. C.

Incomplete entry forms will be returned for correction if there is time to do so, but REMEMBER: No article or animals will be entitled to exhibit space until proper entry has been made, and no entry will be accepted after the closing date listed for the department.

Once an entry is made, it cannot be changed except where it is improperly classed or a mistake has been made in copying the original entry—in which event the changes can be made only with the permission of the Department Superintendent or Director in charge, AND THEN ONLY IN THE OFFICE OF THE "ENTRY DIRECTOR." If the records are altered and do not conform with the information on file in the Entry Department, payment of premiums will be withheld.

No person except personnel of the Entry Department will be allowed to see the entries, or have access to the entry books, until after the awards are made.

The same article or animal cannot be entered for more than one premium number (except as otherwise stated in the Special Department Rules and Regulations). Collections and displays must be made up of specimens other than those entered in single (individual) classes unless otherwise noted.

No entry fees are required in any department, except that livestock, poultry, pigeon, and rabbit exhibitors must include payment of stall, pen and coop fees with their applications for entry. (SEE HEADNOTES OF THESE DEPARTMENTS FOR SCALE OF FEES.)

Application forms for entry should be mailed to: MANAGER, N. C. STATE FAIR, P. O. Box 5565, Raleigh, N. C. After October 7, 1963, the Entry Department will be staffed to receive applications for entry in person.

All Other Divisions and Departments, Saturday, October 17, at 5:00 p.m.

POSITIVELY NO EXHIBITS RELEASED BEFORE SPECIFIED DATE AND TIME.

Remember! All exhibits must be officially entered in the Fair, on official printed forms provided for that purpose, before the closing date for entries in the department. No article or animal will be entitled to space or considered in the judging until proper entry has been made. Removal of exhibits before the date and time specified above will be cause for forfeit of all premiums won, all fees paid, and the right to further participation in the Fair.

All exhibits will be numbered and recorded in the books of the proper department and class and exhibit tag with corresponding numbers will be issued. This tag must be securely attached to the exhibit and must remain on the exhibit throughout the Fair (except that exhibit tags issued for livestock and poultry may be conspicuously displayed upon the stall, pen or coop). Exhibitors who make their entries well in advance of the opening of the Fair will receive their exhibit tags by mail; otherwise, they should first visit the Entry Department upon their arrival on the Fairgrounds and receive their exhibit tags.

Once the exhibit is numbered and tagged, it should be delivered to the Department Superintendent or Director, who will allocate space and either personally arrange the exhibit in a suitable and attractive display, or direct such action by the exhibitor.

All exhibitors are urged to personally bring their exhibits to the Fair and enjoy the educational and recreational advantages of the annual exposition. However, exhibits may be shipped or mailed to: MANAGER, N. C. STATE FAIR, P. O. BOX 5565, RALEIGH, N. C., and they will be carefully handled, officially entered, tagged, and otherwise treated in the same manner as previously described. They will be given the same consideration with regard to display and judging as exhibits personally delivered.

All exhibits shipped or mailed **MUST BE PREPAID**. No transportation charges for express, postage, freight or drayage will be paid by the Fair. Shipments should be carefully labeled, accompanied by a bill of lading, and

properly identified inside and outside the package as to the department, class and premium number under which they have been previously entered. They should be shipped or mailed at least a week or 10 days prior to the opening of the Fair. The management will not be responsible for delayed shipments which arrive at the Fair too late to be considered in the judging.

All carload shipments by freight, for exhibition purposes, should be billed as follows: FOR EXHIBIT, N. C. STATE FAIR, CAMP POLK, N. C., c/o S.A.L. RAILWAY. Exhibits so billed will be delivered to the Fairgrounds without extra switching charges. Attention of exhibitors is called to tariff rules, governing the shipment of certain types of articles for exhibition at expositions and fairs, and providing for free return of such exhibits when accompanied by a certificate from the Manager of the Fair certifying that such shipment was on exhibition and ownership of same has not changed. Intending exhibitors should consult their local freight agent for particulars governing Fair shipments, as some types of exhibit material are not returned free and other conditions enter in if shipment is not returned direct. If your local agent is not able to give you full particulars, write the Manager of the State Fair.

Division Directors and Department Superintendents will have full authority over allocation of space, and will have direct supervision of all exhibits which are considered on exhibition as a part of the Fair's attractions, subject to use as these Directors and Superintendents see fit to add to the

educational values of the Fair. Livestock able to be led or driven, or which will follow, must participate in parades and group exhibitions as directed by the Department Superintendent.

All livestock must be cared for by the exhibitor except as noted in the Junior Dairy Cattle and Market Cattle shows. Stalls and pens will be furnished bedding before the Fair, free of charge. Thereafter exhibitors will be required to furnish their own bedding and keep all stalls and pens clean. Feed and straw will be sold on the grounds at prevailing prices.

When exhibit tags are issued by the Entry Department for each article entered, a stub with a duplicate number will be given the exhibitor to serve as his claim check to recover and secure the release of his exhibit. Claim checks should be guarded carefully, since Department Superintendents and Directors are not allowed to release any exhibit without presentation of the exhibit tag stub. If the claim check is lost, such loss should be reported promptly and it will be necessary for the exhibitor to furnish the Director of the Entry Department proof of ownership of the article on exhibit.

Exhibits entered in the premium classes which are not claimed within one week after the close of the Fair will be considered to have been abandoned by the exhibitor and will be disposed of as the Manager of the Fair sees fit. Other exhibits, and materials therein, including concession booths, which are not claimed by the exhibitor or concessionaire within 30 days after the end of the Fair will be considered to have been abandoned and will become the property of the State Fair.

The Fair management reserves the right to reject any exhibit which does not reflect merit and which would not be a credit to both the exhibitor and the Fair. Also, the right is reserved to reject exhibits which are deemed objectionable or unsuitable for exhibition. All entries are accepted conditionally, pending inspection of the article or animal to be exhibited. Any article or animal which proves to be misrepresented or falsely classed will be rejected and the right of the exhibitor to further participation in the Fair will be denied.

Division Directors, Department Superintendents, and/or Judges must report disqualification of entries to the Manager or Assistant Manager of the State Fair immediately after such action is taken. UNDER NO CIRCUMSTANCES WILL JUDGING BE CONSIDERED OFFICIAL AND PREMIUMS PAID IN A CLASS WHERE DISQUALIFICATION IS RECOMMENDED UNTIL APPROVAL OF THE DISQUALIFICATION(S) IS OBTAINED FROM THE FAIR MANAGER OR ASSISTANT MANAGER. Promiscuous advertising is strictly prohibited. Exhibitors may advertise and distribute literature and free samples from their place of exhibit only, but may not sell any article or animal from their exhibit space without a permit from the Manager. The distribution of advertising matter which conflicts in any manner with a concession sold by the Management is prohibited.

Commercial exhibitors and concessionaires are responsible for keeping the space in and around their exhibits, including unused space, aisles and roadways, clean and free of rubbish. An area of 10 feet around each exhibit

booth and concession stand must be thoroughly cleaned by the exhibitor or concessionaire at the end of each Fair day. Failure to do so will be cause for cancellation of contract.

No exhibit space assigned may be shared or sub-let without permission of the Fair manager.

Exhibitors and Department Superintendents and Directors may have the exclusive use of the lawn in front of the Educational and Commercial exhibit building for parking until midnight, Sunday, October 11, 1964. Special parking facilities for the Livestock and Poultry Division will be provided at the west end of the Fairgrounds.

JUDGING AND AWARDS

Decision of the judges will be final, and no appeal will be considered except in cases of protest in writing, with strong evidence of fraud or violation of the rules of the Fair. Protests must be filed with the Division Superintendent not later than noon of the day following the award, and must be accompanied by a protest fee of \$5.00 which will be retained by the Fair if the protest is not sustained. The Division Superintendent will appoint a committee to consider the protest and all interested parties will be notified of the time of the hearing and will be given an opportunity to be heard. The rules of the International Association of Fairs and Expositions governing appeals will be those of the North Carolina Fair.

Judges will not award premiums to any article or animal because of its mere presence. It must be individually worthy. It is not the policy of the Fair to encourage indifferent production of any kind, or to distribute premiums equally among exhibitors. No premium will be awarded to any exhibit that does not possess high intrinsic merit.

Unless otherwise specified in the Department Rules and Regulations, NO EXHIBITOR MAY WIN MORE THAN TWO PREMIUMS IN ANY ONE INDIVIDUAL CLASS, AND NOT MORE THAN ONE PREMIUM IN ANY GROUP CLASS.

No exhibitor may accompany judges during their deliberations except such attendants as are necessary to handle and show livestock and other such exhibits. Any exhibitor attempting to interfere with the judges during their adjudications, or who publicly expresses disapproval of the decision of the judges, will be excluded from further competition and any premiums previously won will be forfeited.

Fraud or deception as to breeding, or in any other form, will be exposed and the exhibitor guilty of such violation will be excluded from further participation in the Fair, and all premiums previously won will be forfeited.

Premiums will be paid only on the basis of the records of the judging reports, which will be signed by the judge and by the Department Superin-

tendent or Director. Ribbons will be securely attached to the articles upon which they were awarded, if possible, but the ribbons have no value in the payment of premiums since they may become detached and find their way on to the wrong exhibit.

Entries made in wrong classes may be reclassified by the Department Superintendent, BUT ONLY IF SUCH RECLASSIFICATION IS MADE IN THE OFFICE OF, AND WITH THE APPROVAL OF, THE DIRECTOR OF THE ENTRY DEPARTMENT. Records must be changed when entries are reclassified. If the records are altered and the entry department files are not changed, premiums will be withheld.

Judges, when requested, may give the reasons for their decisions embracing the value and desirable qualities of the exhibits to which they have awarded premiums.

Judges will not award premiums or ribbons to any article or animal that does not qualify for one of the classes in the State Fair Premium List.

Premiums will be paid to winning exhibitors as soon after the awards are made as it is possible to compile and check all reports. Premiums not collected during the Fair will be mailed to the exhibitor at the post office address given on his or her entry form. Errors in premium statements will be corrected until December 1, 1964, after which time the books of 1964 Fair are closed.

DEPARTMENT "A"

COMMITTEE IN CHARGE:

E. Y. FLOYD, Chairman

D. S. WEAVER

J. W. CRAWFORD

As a feature series of exhibits of the North Carolina State Fair, this department is devoted to County Programs including Community and Area Development. Agricultural workers from selected counties are asked to take the lead in developing these exhibits to illustrate a phase of the agricultural program in their particular county.

The North Carolina Board of Farm Organizations and Agencies, which is sponsoring these exhibits, has invited five counties to arrange and present exhibits depicting certain phases of their programs for better farming and better rural family living. One county will represent each of the five areas established by this Board.

The following counties have been selected to present exhibits for the 1964 State Fair: Area I, Avery County; Area II, Catawba County; Area III, New Hanover County; Area IV, Franklin County; and Area V, Hertford County. Each county will select their own topic depicting a phase of their County Program and tying into the general theme established for the Fair.

The five counties were chosen and invited to participate on the basis of recommendations of the district representatives of the following organizations and agencies which comprise the North Carolina Board of Farm Organizations and Agencies: N. C. Department of Agriculture, N. C. Department of Conservation and Development, N. C. Farm Bureau Federation, Farmers Home Administration, Agriculture Stabilization and Conservation, Division of Vocational Teaching in Agriculture and Home Making of the N. C. Department of Public Instruction, N. C. Federation of Home Demonstration Clubs, N. C. Rural Electrification Authority, Soil Conservation Service, the State Grange, and the Agricultural Experiment Station and Cooperative Extension Service in Agriculture and Home Economics of N. C. State College.

To encourage these County Programs and the county agricultural workers, the State Fair offers the following cash awards to the five counties putting on exhibits.

These exhibits will be competitive. A high standard of performance will be required and if the judges and Fair management decide the exhibit is not up to standard as described in the score card, no premium will be paid.

DICK SMITH

ASSOCIATE SUPERINTENDENTS:

MISS MARGARET CLARK, MISS MARY SUN MOSER, T. C. BLALOCK, L. B. DIXON, W. M. GARMON, and DAN F. HOLLER, District 4-H Agents, Agricultural Extension Service

In this department will be found eighteen 4-H Club exhibits—two from each Extension District and six representing the activities of individual 4-H Club members.

The exhibits will represent work actually done by 4-H members as they are trained in the art of living. They will show something of the economic,

social, physical, and recreational growth and development of boys and girls enrolled in 4-H Club work. Two counties from each of the six Extension Service districts which have excelled in club work will be invited to arrange and present exhibits.

HOME ECONOMICS EXTENSION WORK AMONG NON-WHITE FAMILIES IN NORTH CAROLINA

General Aim: Home Demonstration work with this segment of the population in North Carolina is truly a story of growth and progress. It is a phase of the Agricultural Extension Service with a general aim to help people live better through improved personal, family, and community living.

When the Work Started: The work was organized in 1917 at which time agents worked two months out of a year. In 1922, six counties were organized with a full time agent in each. Those counties were Wake, Wayne, Anson, Beaufort, Johnston, and Columbus.

What is Taught: In the beginning years the major program emphases were gardening, canning, and cooking. The scope of program emphasis has broadened to include home management and family economics; housing and house furnishings; food conservation and home marketing; foods and nutrition; clothing; and family relations. It should be understood here however, that the programs carried in the counties vary with the needs and interests of the local people.

More than 60,000 families were assisted directly or indirectly in making some desirable change in their homemaking practices during the past year.

Present Personnel and County Coverage: Today there are 66 full time state and county home economics extension workers with organized work in 52 counties. These counties make up more than 90 per cent of the State's non-white rural farm population.

How Work is Done: Over the years, tremendous progress has been observed in the methods which agents use to reach homemakers and families. Wherein during the early period most of the work was done through farm-

home visits and home demonstration clubs, agents today are effectively using a variety of personal, mass, and group methods in carrying programs to families. Our present use of the term "Extension Home Economics" in referring to our programs and women personnel is therefore a more adequate description of what is involved in this broad work.

In spite of the home demonstration club being one of our traditional methods of doing the job, we think that it is basically sound in that there will always be a need to use this approach as a basis for organization participation, as well as a training setting for the development of lay leadership.

Club Organization: The Home Demonstration State Council is the "mother" organization of our 667 clubs whose total membership is now 18,000. Ninety per cent of the members are rural homemakers and the remaining are urban.

4-H CLUB WORK AMONG NON-WHITES IN NORTH CAROLINA

Our 4-H Club work is a volunteer, out-of-school co-educational program. All activities are directed toward the personal development of each individual member in all areas that touch life—physical, social, economical and spiritual. Four-H Clubs are organized in 52 of North Carolina's 100 counties, where we have personnel.

Beginning in 1961, club work moved into the communities for all activities, including regular monthly meetings. At the present time responsible adult citizens in each community are organizing themselves to give guidance and direction to 4-H Clubs on a community and neighborhood basis. In community 4-H Club work, North Carolina Extension Service's goal for 1966 is to have 50,000 club members, 2,500 clubs and 15,000 leaders. Experiences so far tend to indicate that we will have many more clubs than 2,500 and many more leaders than 15,000 in all areas of adult leadership promoting 4-H Clubs community by community in our state. Community 4-H work enriches and deepens the quality factors of the program for each member, which results in a larger contribution of club members to the total life of the community.

In the State Fair will be examples of work the clubs are doing over the state, or ideas they are promoting in counties. These six exhibits will show accomplishments and ideas typical of 4-H work being carried out. Six counties representing the three organized extension districts for 1964 are Pender and Robeson, Southeastern District; Alamance and Rockingham, Western District; and Granville and Warren, Northeastern District.

Display and Grading Contest

A display of all major standard grades of Flue-cured and Burley tobacco (about 122 samples of Flue-cured and about 104 samples of Burley). This will be one of the most complete displays of the standard grades of tobacco, the leading cash crop of the state, that is available to the public. The object of the exhibit is to improve the understanding of growers regarding the characteristics making up the various groups, quality and colors which constitute the Government grades of tobacco; to encourage a more careful study as to how far the grower should go in sorting the crop for the most satisfaction on the market; to emphasize the importance of taking advantage of grading as an aid in marketing the crops. For example, the support price is based on the grade; therefore, it is important for the grower to sort his crop so that tobacco will earn the highest possible support price.

The N. C. State Fair is offering a further incentive to the public to stop and study this outstanding exhibit by offering substantial prizes for grading a set of samples on display. All individuals or teams of three persons are eligible to compete for the prizes.

Individuals or members of teams who have had training or experience in *commercial* grading are not eligible to participate. (In case of ties, a drawing will be held to determine prize winners).

RELEASE OF EXHIBITS: Saturday, October 17, 1964, at 5:00 p.m., and **POSITIVELY NOT BEFORE THAT DATE AND TIME.** Exhibits unclaimed by 10:00 p.m. on Saturday, October 17, 1964, will be considered abandoned and the Fair will not be responsible for them after that time.

Rules and Regulations

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THESE IN THE FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in EACH CLASS—"1" Fruits and Nuts, "2 and 3" Vegetables, and "4" Plants and Flowers—of this department, and separate forms for entries in each other department of the Fair. *Be sure to fill in the application form completely, accurately and*

legibly. Give your rural route number, post office box number, or city street address.

List the Department Letter ("G" for Horticulture) and the Class Number ("1" for Fruits or Nuts, "2 and 3" for Vegetables, and "4" for Plants or Flowers) for which each entry is made. Also, list the premium number and the description of the article, exactly as shown in the Premium List.

If entries are received sufficiently in advance of the Fair to permit mailing, Entry Tags will be forwarded to exhibitors at their home address. Otherwise, these Entry Tags should be picked up at the Entry Department immediately upon arrival on the Fairgrounds. An Entry Tag must be attached to each exhibit before it is presented in the Department for display.

As far as possible, it is urged that all Horticultural Products be brought in and set up by the exhibitor. Where it is not possible, shipments should be made in time to reach the Fairgrounds no later than Saturday, October 10, 1964, and should be addressed to: Superintendent, Horticulture Department, N. C. State Fair, P. O. Box 5565, Raleigh, N. C.

Where it is not possible to personally bring the products to the Fair and arrange them, the Superintendents will be glad to arrange the products in the most attractive manner possible. However, they will not pack box or basket entries for exhibit. Exhibits mailed or shipped to the Fair should be carefully labeled to show the name and address of the exhibitor, and the nature, and class in which entered, of the contents of the package.

The State Fair will furnish PLATES, ONE QUART CONTAINERS, AND TRAYS for exhibits, but no other containers. The number of specimens for each PLATE display is specified in the premium list. *Standard size tray, 11½ x 18 inches inside measurements, and 3 inches deep, will be used. Exhibitors should make a tray of the required dimensions and pack the exhibit to determine the number of specimens required.* At least one extra specimen for each plate, and three or four extra specimens for each tray, should be brought or shipped to the Fair to allow for possible damage in transit.

To insure uniformity in exhibit material and to facilitate judging, the following sizes for apple varieties will be recognized:

<i>Variety</i>	<i>Diameter</i>
Arkansas	3 to 3½ inches
Bonum	2¾ to 3 inches
Delicious and named bud sports	2¾ to 3¼ inches
Grimes ..	2¾ to 3¼ inches
Jonathan ..	2¾ to 3 inches
Golden Delicious	2¾ to 3¼ inches
Rome and named bud sports	3 to 3½ inches
Stayman and named bud sports	3 to 3¾ inches
Winesap	2¾ to 3 inches
York and named bud sports	3½ to 3¾ inches

Fruits and vegetables to be exhibited in plates and trays should be carefully wrapped and packed for shipment to the Fair. Wrap separately in paper and pack firmly in a box, taking care to avoid bruising. Label each variety plainly and put in dividers to keep varieties separated. Do not use hay, fodder, excelsior or any other dusty packing material.

Quality—Not Quantity

In selecting Horticultural products for exhibit, choose only those specimens that are of uniformly good quality, form and color, true to type, and free from all insect and disease blemishes, and free from cuts and bruises. Premiums offered for the best collection of fruits or vegetables will not be awarded for a mere pile or for the greatest number of varieties, **BUT MAINLY ON THE BASIS OF QUALITY.** Do not knock or shake fruit from the tree, but pick each specimen by hand, taking care not to pull out the stem. Products should be exhibited as nearly as possible in their natural state, and no preference will be given in the judging for highly polished fruits or vegetables.

Entries of Commercial containers of apples and sweet potatoes should be graded to uniform marketable size, high color, smoothness, trueness to type, freedom from cuts and bruises, and free from insect and fungus blemishes. They should be properly packed and faced in standard containers.

Entries of "Collections" and under "Any Other Variety" must be correctly named by the exhibitor. In the nomenclature of fruits, the names adopted by the American Pomological Society shall rule, and no variety will be accepted that has not been admitted to their catalogue, except in the case of seedlings never before exhibited.

Awards and Judging

No awards will be made for unworthy specimens, where quality is lacking, or where any of the Rules and Regulations governing these exhibits are disregarded.

No article entered for competition in any class will be permitted to compete for a premium in any other class. **AN EXHIBITOR CANNOT COMPETE FOR MORE THAN ONE PRIZE IN ANY CLASS.**

No exhibitor will be allowed to discuss exhibits with the judges, or to interfere in any way while the judges are at work.

MISCELLANEOUS

This class is for the purpose of stimulating new interest. Dish gardens may be arranged on plates, platters, trays or dishes of any reasonable size. They will be judged on the basis of the craftsmanship of the exhibitor, the artistic qualities of the exhibit and the quality of materials used. The exhibit may represent Japanese gardens, landscapes, farms properly planted, homes or any other feature. Plant materials should predominate but any kind of material can be used.

The foregoing suggestions apply also to terrariums. The type of exhibit desired in this class is much like the dish gardens, except that slightly different materials should be used, the materials being placed inside a glass container covered for the purpose of maintaining moist conditions and plants preferring such moist conditions, such as mosses, ferns, etc., should be used. Credit will be given by the judges to the craftsmanship, the condition of plant materials, the number of kinds in the exhibit, and the general artistic values of same. These exhibits should have unity, variety, propriety, coherence and finish.

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THESE IN THE FRONT OF THIS BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

Official printed forms must be used in making applications for entry: One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments of the Fair. *Be sure to fill in the application form completely, accurately and legibly.*

List the department name or letter ("H") in the first column on the form. If entries are received sufficiently in advance of the Fair to permit mailing, Entry Tags will be forwarded to exhibitors at their home address. Otherwise, these Entry Tags should be picked up at the Entry Department immediately upon arrival on the Fairgrounds. An Entry Tag must be attached to each exhibit before it is presented in the Department for judging display.

Exhibitors who are unable to personally bring their entries to the Fair may mail or ship them prepaid to: **DIRECTOR, ARTS & CRAFTS DEPARTMENT, N. C. STATE FAIR, P. O. BOX 5565, Raleigh, N. Pictures must be properly matted or framed, and if framed must be wired. All Photographs must be mounted on a mat 16 x 20 inches.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken. Display Booths must be reserved on or before Oct. 1. Booths not requested by this date will be assigned by invitation.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address.

All honey entered must have been produced during the current season. All comb honey displayed must be protected from honeybees and other insects. Cellophane, glass, or transparent material of some other suitable type is recommended for this purpose.

Live bees and queens must be displayed in observation hives.

All exhibits must be of required color, quality and condition in order to receive premiums and prizes. No premium will be given to any one entry through lack of competition if the entry is of inferior quality.

Exhibitors are urged to personally deliver their exhibits at the Fair, but if this is not possible shipments via parcel post or express, **PREPAID**, will be accepted if addressed to **DIRECTOR, BEES AND HONEY DEPARTMENT, N. C. STATE FAIR, P. O. BOX 5565, RALEIGH, N. C.** Shipments should be carefully labeled and should indicate on the outside and inside of the package the Premium Number under which entered, a description of the contents of the package, and the exhibitor's name and address. Instructions for return or disposal of shipments at the end of the Fair must accompany each shipment. Return shipments will be made via express with transportation charges collect unless otherwise provided for.

Comb honey and all other exhibits should be packed with care, according to parcel post or express regulations, so as to arrive in good, clean condition.

Additional entry application forms and further information regarding this department may be obtained by writing or otherwise contacting: Mr. Frank B. Meacham, State Museum, Raleigh, N. C., or **MANAGER, N. C. STATE FAIR, P. O. Box 5565, Raleigh, N. C.**

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this Division. **BE SURE TO READ THOSE IN THE FRONT OF THIS BOOK.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this Division.

Entries

MAKE YOUR ENTRIES EARLY! The right is reserved and will be used to reject entries received after all available space is taken. Even though this occurs before specified time for closing of entries.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use a separate form for making entries in each department. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address.

Indicate on the form the total number of animals you will exhibit, including nurse animals, and the total number of stall spaces (four feet wide) or pens (6 x 8 feet in size) you will require, including those to be used for gear, feed and bedding.

List the class number, as indicated in the premium list, for which each entry is made. *Use a separate line for each animal.* Do not make entries in the Championship classes. Indicate if you plan to make entries in the group and/or herd classes, but it is not necessary to name the animals which will make up your group or herd entries until after the judging of the individual classes. Entries in the group and herd classes must have previously been exhibited in the individual classes.

List, also, on the application form the name (or ear tag number) and registry number of each animal entered, its date of birth, its sex, the names (or ear tag numbers) and registry numbers of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown if requested by the superintendent.

All beef cattle and swine over six months of age and all sheep over three months of age must be registered with their respective breed associations in the name of the bona fide owner, who must have owned the animal at least 30 days prior to the closing date for entries in the department. Also, all dairy cattle exhibitors must show official evidence of ownership of animal prior to showing. (See exceptions to this rule for group classes only in some departments).

Fees

Stall or pen fees are required for all entries in the senior and open classes of the Livestock Division. Entries exclusively in the junior livestock shows are not subject to stall or pen fees, and the first three placed animals in each Junior Show class are eligible to compete in the Senior and Open Shows without payment of any fee.

All applications for stall spaces and pens must be noted on the entry form, AND REMITTANCES FOR SAME MUST ACCOMPANY THE ENTRY APPLICATION FORM. Reservations will not be made unless accompanied by the required fee, and REMEMBER: THE RIGHT IS RESERVED TO REJECT ENTRIES RECEIVED AFTER ALL AVAILABLE SPACE IS TAKEN. ENTRIES WILL BE ACCEPTED IN THE ORDER RECEIVED.

Be sure to indicate on the form the total number of stall spaces or pens you will require, *including those to be used for nurse animals, and for gear, feed and bedding.* Include remittances for these extra stall spaces or pens you will require, as well as for those actually required for the animals you will exhibit in the competitive classes.

Animals duly entered in the show which will be exhibited competitively in the show ring will have priority on stall and pen space; thereafter,

should additional space be available, display animals will be assigned stall or pen space.

The following fees will govern:

Cattle Barns, each stall space	\$2.00
Swine Barn, each pen	1.00
Sheep Barn, each pen	1.00
Pony Barns, each stall	2.00
Cattle (pens of 3)	3.00
Cattle (pens of 5)	5.00

Health Regulations

The health regulations of the Veterinary Division of the N. C. Department of Agriculture governing all fairs in North Carolina will be strictly enforced this year. These regulations are as follows:

Dairy Cattle and Beef Cattle

"An official health certificate shall be issued by an accredited veterinarian and approved by the State Veterinarian of the state of origin on all cattle for exhibition purposes. A copy of the approved health certificate shall be forwarded to the State Veterinarian, N. C. Department of Agriculture, Raleigh, N. C., before the arrival of the animals. The health certificate shall state that no animal in the shipment is infected with or has been recently exposed to any infectious or transmissible disease, and shall contain the names and addresses of the consignor and consignee, with an accurate description or identification of each individual animal.

"In addition to the above regulation, the health status of the individuals shipped and the entire herd of origin, shall be as follows:

"BRUCELLOSIS OR BANG'S DISEASE—(a) Herds officially accredited brucellosis-free or qualified herds in modified accredited brucellosis-free areas, in which all animals in the herd over (6) months of age were negative to an official test for brucellosis within twelve (12) months of entry, and the animals for entry were negative to an official blood test within thirty (30) days of the date of entry.

"(b) Herds under Federal-State supervision for the control of brucellosis, in which all animals in the herd of over six (6) months of age were negative to an official blood test within three (3) months of entry, and the animals for entry were negative to an official blood test within thirty (30) days of date of entry—such test not to be applied within thirty (30) days of the date of the previous herd test.

"(c) Unvaccinated calves under six (6) months of age will not be required to be blood tested prior to entry, provided they are identified as the progeny and come directly from negative or accredited brucellosis-free herds in accordance with paragraphs (a) and (b).

"(d) Cattle vaccinated under Federal-State supervision with *Brucella Abortus* vaccine between four (4) and eight (8) months of age which originate in herds in accordance with paragraphs (a) and (b) wherein all unvaccinated animals over six (6) months of age, and all vaccinated animals over two (2) years of age are negative to one or more official blood tests, may be exhibited in the State, provided they are negative to an official blood test within thirty (30) days of the date of entry. *Identified*

officially calfhood cattle showing a blood-serum agglutination titer of 1-50 or less are classified as negative under the new Federal regulation governing the interpretation of the Brucellosis test.

"(e) The State Veterinarian is authorized to issue a written permit for the exhibition of unbred officially calfhood vaccinated heifers 18 months of age or under that originate directly from either a brucellosis certified herd or a brucellosis-free herd that has been tested and negative within 12 months. The above vaccinated cattle may be exhibited either with or without a blood test. *The permits are issued at the request of the Exhibitors.*

"TUBERCULOSIS—Cattle may be exhibited at the North Carolina State Fair provided they are identified as originating in: (a) Tuberculosis-free accredited herds; or (b) qualified negative herds from modified accredited tuberculosis-free areas. If such herds have not passed a negative tuberculin test within twelve (12) months prior to entry, the cattle from these herds to be exhibited in the state shall be tuberculin tested within thirty (30) days prior to entry.

"The health status of the herds of origin, and the individuals exhibited that originate in North Carolina and those that originate in other states are the same."

Swine

"All swine exhibited must be accompanied by an official health certificate issued by a qualified veterinarian and approved by the State Veterinarian, certifying that such swine are free from any symptoms of a contagious or infectious disease; that they are from premises where no known contagious or infectious disease of swine exists; and that they have been properly inoculated with anti-hog cholera serum alone not more than fifteen (15) days, or with anti-hog cholera serum and virus not less than thirty (30) days, or with crystal violet or tissue vaccine not less than twenty-one (21) days nor more than six (6) months prior to the opening date of the fair."

Sheep

"All sheep entered must be in apparently healthy condition. The owner must certify that they are from premises where no known contagious or infectious disease of sheep exists. The right is reserved to reject an entry or to remove same after entered should the State Veterinarian find the animal affected with a communicable or parasitic disease."

Exhibits and Exhibitors

The Fair management will use diligence to insure the safety of livestock entered for exhibition or display, but under no circumstances will it be responsible for loss, injury, theft or damage by fire, lightning, wind, or any other agency, to such livestock on exhibition or display.

All livestock on exhibition must be cared for by the exhibitor (except entries in Junior Dairy Cattle and Market Cattle shows.) All stalls and pens will be well bedded by the Fair, free of charge. Thereafter, exhibitors will be required to furnish their own bedding. Feed, forage and straw will be on sale at the Fairgrounds at reasonable prices.

The Fair reserves the right to discriminate against both excessive obesity, which cannot be a profitable condition for breeding animals, and excessive leanness, in which condition animals are unfit for exhibition.

No barren animals will be eligible in breeding classes. An affidavit that an animal is a breeder must be furnished on request.

All cattle must be halter-broken. No dairy bull over one year of age will be allowed on the grounds without a ring in his nose and must not be led from his stall except by a staff, rope or chain attached to or leading through the ring. Boars over one year of age must have had their tusks removed.

Exhibitors must keep their animals uncovered between the hours of 9:00 a.m. and 5:00 p.m. each day of the Fair. Premium money will be withheld from exhibitors violating this rule, except in case of sickness of animals or inclement weather, and then only on authorization of the Superintendent.

A great educational feature of the Fair is the exhibitions and parades of approved livestock by breeds and ages. Exhibitors refusing for any cause not meeting with the approval of the management to lead out animals for parade will not only forfeit all premiums won, but will be barred from further participation in the Fair, and will be required to remove their stock from the Fairgrounds within six hours after such refusal, and will forfeit all fees paid.

Misrepresentation as to breeding and irregularity in showing will be exposed and any premium won by such exhibitor will be withheld. Certificates of registration must be shown on demand of the Livestock Superintendent.

Any artificial means of removing or remedying physical defects or conformation in exhibition animals, such as lifting or filling under the skin, will be considered fraud and deception. All animals giving evidence of such treatment will be barred from exhibition at this Fair, and at all Fairs holding membership in the International Association of Fairs and Expositions.

Exhibitors must keep the space in the rear of their stalls or pens, and the alleyways in the exhibition halls, clear and clean. All litter must be thrown where directed by the Superintendent or Directors.

Animals must be transported to and from the Fairgrounds at the expense of the exhibitor. The Fair management will not pay any charges for express, freight or drayage. To avoid switching charges and delay, rail shipments should be billed as follows: "For Exhibit, N. C. State Fair, Camp Polk, N. C. c/o Seaboard Air Line Railroad." Shipments via express or motor transport should be addressed to the exhibitor, or to: Livestock Superintendent, N. C. State Fair, Raleigh, N. C.

Exhibitors are responsible for ascertaining when their stock will be judged. Animals must be in the show ring promptly after being called. Exhibitors failing to comply with this rule may have their animals excluded from competition.

Judges and Awards

NO EXHIBITOR MAY RECEIVE MORE THAN TWO PREMIUM MONEYS IN ANY ONE CLASS. However, ribbons will be awarded exactly as the animals are placed by the judge. EXAMPLE: An exhibitor

makes three entries in a class, and his animals place "First," "Second" and "Third." He would receive only the first and second premium moneys, but all three ribbons. Then, the owner of the animal placing "Fourth" would receive the third-place premium money and the fourth-place ribbon; and so on down the line.

The decision of the judges will be final, and no appeal will be considered except in case of protest. The rules of the International Association of Fairs and Expositions govern appeals at the North Carolina State Fair. Protests must be in writing and filed with the General Livestock Superintendent by noon of the day following the award, accompanied by a protest fee of \$5.00 which will be retained by the Fair if the protest is not sustained by an impartial Protest Committee appointed by the General Livestock Superintendent.

No unworthy animal will be awarded a premium. Where there are fewer animals shown in the class than the number of premiums offered, the judge may, at his discretion, award a prize or prizes of such grade as the animal or animals deserve.

Where there is only one entry in a class, second premium will be awarded unless in the opinion of the judge the animal is sufficiently meritorious as to justify the full award as provided for.

Herdsman's Contests

Special prizes will be awarded in contests for herdsman, shepherds and caretakers of animals in all livestock departments. All herdsman will automatically be considered entrants and no special entry is required.

The contests will start Monday, October 12, 1964, at noon and will continue through Saturday, October 17, 1964, at 4:00 p.m. at which time the winners will be announced.

The following premiums will be awarded in each livestock department:

<i>First</i>	<i>Second</i>	<i>Third</i>	<i>Fourth</i>	<i>Fifth</i>
\$15.00	\$10.00	\$8.00	\$5.00	\$4.00

RULES AND REGULATIONS

Except in cases of conflict, in which case the following Rules and Regulations will prevail, the General Rules and Regulations of the Livestock Division and the General Rules and Regulations of the Fair, will govern this department. **BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office number, or city street address.

Indicate on the form the total number of animals you will exhibit, including nurse cows, and the total number of stall spaces (four feet wide) you will require, *including those required for gear, feed and bedding.* For entries in the senior classes, payment of \$2.00 fee for each stall space requested must accompany your application. No fee is required for entries exclusively in the Junior Show provided they are tied in the section set aside exclusively for juniors. The first three placed animals in each Junior class are eligible to compete in the Senior Show without payment of a fee.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the Championship classes. Indicate if you plan to make entries in the group and/or herd classes, but it is not

necessary to name the animals which make up your group or herd entries until after the judging of the individual classes. Entries in the group and herd classes must have previously been exhibited in the individual classes.

List, also, on the application form the name and registry number of each animal entered, its date of birth, its sex, the names and registry numbers of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown if requested by the Superintendent.

All animals over six months of age must be registered with their respective breed association in the name of the bona fide owner, except that in the "Get-of-Sire" and "Produce of Dam" classes progeny of bull or cow may be shown by one or more exhibitors. Exhibitors in the Junior show must have owned the animal prior to August 1, 1964.

In breeding classes, to be eligible to show, all cows 42 months of age or older must have produced a calf carried to maturity within the last 18 months prior to the opening date of the Fair. Every bull 36 months of age or older must have had dropped to his service during the last 12 months prior to the opening date of the Fair a living calf. In case the exhibitor, upon demand of the superintendent, cannot verify by affidavit or registration certificate the facts of the above requirement, the animal will be excluded from competition.

In making awards in the breeding classes, the judge will lay much stress on the evidence of superior breeding qualities. When animals show evidence of being "overdone" (overloaded with flesh) they will be discriminated against accordingly.

Mail entries, make checks for stall fees payable to, and address requests for additional application forms and further information, to: MANAGER N. C. STATE FAIR, P. O. Box 5565, Raleigh, N. C.

Health Regulations

Health regulations of the Veterinary Division of the N. C. Department of Agriculture will be strictly enforced. BE SURE TO READ THESE UNDER "RULES AND REGULATIONS OF THE LIVESTOCK DIVISION" before entering or competing in this department.

Every precaution should be taken on the part of the exhibitors to use individual utensils in feeding and watering cattle. Common water troughs are forbidden. All cars and trucks used for transportation of cattle to the Fair should be thoroughly cleaned and disinfected before use. Vehicles regularly used for the transportation of animals are considered "exposed" premises under the health regulations of the Veterinary Division.

MILKING PARLOR

A modern milking parlor with trained operators is available for exhibitors with lactating cows. This facility, initially sponsored and constructed by the North Carolina Purebred Dairy Cattle Association and the N. C. State Fair, is an outstanding facility for presenting to the milk consuming

public the story of the production of clean, wholesome milk. The impressions formed by people are very important in their decisions to drink milk and these impressions are not good when they see cows milked in dirty feed pails in the barn. *Thus, exhibitors are urged and expected to cooperate in using the milking parlor during the fair.* If exhibitor does not use the milking parlor, then cows *must be milked with machines or into pails approved by Wake County Health Department officials.* The parlor will be in operation during the show days so that cows can be milked out after being shown. The net returns from the sale of milk produced in the parlor is used for the N. C. Purebred Dairy Cattle Scholarship in Dairy Husbandry.

RULES AND REGULATIONS

Except in cases of conflict, in which event the following Rules and Regulations will prevail, the General Rules and Regulations of the Livestock Division, and the General Rules and Regulations of the Fair, will govern this department. **BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated here—with for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! THE RIGHT IS RESERVED AND WILL BE USED TO REJECT ENTRIES OR PART OF ENTRIES RECEIVED AFTER ALL AVAILABLE SPACE IS TAKEN.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments. *Be sure to fill in the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address.

Indicate on the form the total number of animals you will exhibit, including nurse cows, and the total number of stall spaces (four feet wide) you will require, including those you will need for gear, feed and bedding. Payment of a fee of \$2.00 for each stall space requested must accompany your application.

List the class number, as indicated in the premium list, for which each entry is made. Do not make entries in the Championship classes. Indicate if you plan to make entries in the group classes, but it is not necessary to name the animals which will make up your group entries until after the judging of the individual classes. Entries in the group classes must have previously been exhibited in the individual classes.

List, also, on the application form the name and registry number of each animal entered, its date of birth, its sex, the names and registry numbers of its sire and dam, and the name of the breeder. Bring your registration certificates to the Fair; they must be shown if requested by the Superintendent.

All animals over six months of age must be registered with their respective breed association in the name of the bona fide owner, who must have owned the animal for at least 30 days prior to October 1, 1963 (except the Produce of Dam class in the Brahman show where the entry may be made up by one or more exhibitors). No exhibitor may win more than two premium moneys in any one class.

Health regulations of the Veterinary Division of the N. C. Department of Agriculture will be strictly enforced. **BE SURE TO READ THESE UNDER "RULES AND REGULATIONS OF THE LIVESTOCK DIVISION"** before entering or competing in this department.

Every precaution should be taken on the part of exhibitors to use individual utensils in feeding and watering cattle. Common water troughs are forbidden. All cars and trucks used for transportation of cattle to the Fair should be thoroughly cleaned and disinfected before use. Vehicles regularly used for transportation of animals are considered "exposed premises" under the health regulations of the Veterinary Division.

First place winners in individual classes are eligible to compete for Championship awards. Other first place winners in individual classes, plus the second place winner in the individual class which produced the Champion, will be eligible to compete for Reserve Championship awards.

RULES AND REGULATIONS

Except in cases of conflict, in which the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THESE IN THE FRONT OF THE BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated here for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries received after all available space is taken.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments of the FAIR. *Be sure to fill out the application form completely, accurately and legibly.* Give your rural route number, post office box number, or city street address.

In filling out the form, write "Poultry" or the department letter "P" in the first column headed: "Dept." In the next column headed: "Class No." write the letter "A" if your bird is entered in the "Production Show," the letter "B" if entered in the regular classification, and the letter "C" if entered in the "Miscellaneous" Classification, etc. In the third column, headed "Premium List No." write in the number shown for the sex and age of the breed and variety you are exhibiting. For instance, if you were entering a S. C. Production Red pullet in the Production Show, you would enter the number "4" as indicated in the premium list under the column headed "Premium List No."

In the wide column headed "Description of Article" write the breed and variety of your bird exactly as they appear in the premium list. Next enter age and sex (Cock, Hen, Cockerel or Pullet). In the column headed: "Leg Band No." **BE SURE TO LIST THIS EXACTLY AS THE BIRD WILL BE BANDED WHEN SHIPPED OR BROUGHT TO THE FAIR.** Important: **LIST ONLY ONE BIRD ON EACH LINE OF THE APPLICATION FORM.**

All birds exhibited must be banded.

A coop fee of 25c for each bird to be exhibited MUST ACCOMPANY YOUR APPLICATION FORM. Space cannot be reserved until receipt of this coop fee, and, remember: The right is reserved to reject entries after all available space is taken.

All birds must be entered in the name of the bona fide owner, who must have owned the birds for at least 60 days before the closing date for entries (October 3, 1964). No carload or professional string-man exhibit will be allowed to compete, except those who are owners and breeders of the birds they exhibit, and maintain a breeding establishment sufficient to raise the birds so exhibited.

Fowl may be shipped or brought to the Fairgrounds. Shipments MUST BE PREPAID and should be addressed to: POULTRY DEPARTMENT, N. C. STATE FAIR, RALEIGH, N. C. Each shipping coop should be plainly marked with: (1) The name and return address of the owner; (2) the breed, variety and number of birds in each coop; (3) the leg band number of each bird in the coop (WHICH MUST CORRESPOND WITH THE NUMBERS LISTED ON THE ENTRY FORM).

Shipping instructions for return of birds to owner, or re-shipment, should be given on the entry form and/or in a separate letter to: Director, Poultry Department, N. C. State Fair, P. O. Box 5565, Raleigh. Return shipments, or re-shipments will be made with transportation charges COLLECT.

All birds are entered at the risk of the owner, and the State Fair management will not be responsible for any loss or damage, but will exercise all possible vigilance in the care of exhibits. No one will be allowed to handle fowl on display except the owners and officials of the show, without permission of the directors. The right is reserved to coop two or more birds of the same variety, and belonging to the same person, together if absolutely necessary. In no case will two male birds be placed in the same coop.

The American Standard of Perfection (revised edition) will be the guide of the judges in awarding premiums. The premiums will be paid only on standard varieties listed in this catalog, and then only to worthy specimens. To win first premium, a bird must score at least 88 points; for second premium, 87 points. For less than 87 points, third and fourth prizes will be awarded.

The decision of the judges will be final. Protest will be entertained only when addressed to the Superintendent of the Poultry Division by noon of the day following the award, and then only when accompanied by a protest fee of \$5.00. This fee will be forfeited unless protest is sustained by a majority of the judging staff and officials of the show.

After the judging, the management will endeavor to place on the coops any advertising material supplied by the exhibitor for his coop.

Mail entries, make checks for coop fees payable to, and address requests for additional entry application forms and further information, to: MANAGER, N. C. STATE FAIR, P. O. Box 5565, Raleigh, N. C.

Gran-I-Grit's

New Grit Feeding Program Will Make You More Money Without Adding To Your Cost

It's IMPORTANT NEWS TO YOU as an egg producer, broiler grower or turkey grower, when, by not adding one cent to your costs, you can increase your profits.

Results from GRAN-I-GRIT'S New Grit Feeding Program have definitely proved that this is exactly what you can do if you feed larger sizes of grit to your birds.

Larger sizes of GRAN-I-GRIT not only grind feed finer and more efficiently, but they also keep the digestive tract open for full feed utilization by completely grinding up feathers and fibrous litter that all birds eat.

Small grit that passes through the digestive tract, rather than staying in and working in the gizzard, take space needed for feed.

Get Full Details of GRAN-I-GRITS New Grit Feeding Program

We have a new GRAN-I-GRIT circular that gives full details on the New GRAN-I-GRIT Program of Feeding larger sizes of GRAN-I-GRIT . . . the program that is proving so successful for poultry raisers. Write us direct or obtain a copy of this New circular from your local GRAN-I-GRIT Dealer.

BIRDS MUST BE IN PLACE: Sunday, October 11, at 6:00 p.m.

RULES AND REGULATIONS

Except in cases of conflict, in which the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair will govern this department. **BE SURE TO READ THESE IN THE FRONT OF THE BOOK BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

MAKE YOUR ENTRIES EARLY! The right is reserved to reject entries after all available space is taken.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments of the Fair. *Be sure to fill out the application form completely, accurately and legibly.* Give your rural route number, post office number, or city street address.

In filling out the form, write "Pigeons" or the department letter "Q" in the first column headed: "Department." In the next column headed: "Class No." write the number indicated in the premium list for the breed. In the third column, headed "Premium List No." write the number shown for the age and sex of the color you are exhibiting. **EXAMPLE:** If you were entering an old hen, Dark Bronze, Archangel pigeon, you would write the "Class No." as "1" and the "Premium List No." as "6." (SEE PREMIUM LIST.)

In the column headed: "Description of Article" write the breed and color of your bird exactly as they appear in the premium list. In the columns on the right enter the "Age and Sex" and "Leg Band No." of your bird. **BE SURE TO ENTER THIS EXACTLY AS THE BIRD WILL BE BANDED WHEN SHIPPED OR BROUGHT TO THE FAIR.** All birds must be banded. Old birds must be number banded. *All young birds must be 1964 seamless banded.* Brands of any reputable banding organization will be recognized.

IMPORTANT! List only one bird on each line of the application form. If additional forms are required they will be supplied upon request.

A coop fee of 25 cents for each bird to be exhibited **MUST ACCOMPANY YOUR APPLICATION FORM.** Space cannot be reserved until receipt of this coop fee, and remember: *The right is reserved to reject entries after all available cooping space is taken.*

All birds must be entered in the name of the bona fide owner, who must have owned the birds for at least 60 days prior to the closing date for entries (October 3, 1964). No carload or professional string-man exhibitors will be allowed to compete, only those who are owners and breeders of the birds they exhibit, and maintain a breeding establishment sufficient to raise the birds so exhibited. Only birds shown on entry blank will be allowed in show room. No substitutions are permitted. This rule will be enforced.

Birds may be shipped or brought to the Fairgrounds. Shipments **MUST BE PREPAID** and should be addressed to **PIGEON DEPARTMENT, N. C. STATE FAIR, RALEIGH, N. C.** Each shipping coop should be plainly marked with: (1) The name and return address of the owner; (2) the breed, color and number of birds in each coop; (3) the leg band number of each bird in the coop (**WHICH MUST CORRESPOND WITH THE NUMBERS LISTED ON THE ENTRY FORM**).

Shipping instructions for return of birds to owner, or re-shipment, should be given on the entry form and/or in a separate letter to: Director, Pigeon Department, N. C. State Fair, P. O. Box 5565, Raleigh, N. C. Return shipments, or re-shipments will be made with transportation charges **COLLECT**.

All birds are entered at the risk of the owner, and the State Fair management will not be responsible for any loss or damage, but will exercise all possible vigilance in the care of exhibits. No one will be allowed to handle birds on display except the owners and officials of the show, without permission of the superintendent. The right is reserved to coop two or more birds of the same breed, and belonging to the same person, together if absolutely necessary.

All birds, of all breeds, will be judged by comparison. The right is reserved for judge to disqualify unworthy specimens or birds shown out of class. All birds must be shown in their natural condition. The decision of the judge will be final. Protest will be entertained only when addressed to the Superintendent of the Poultry Division by noon of the day following the award, and then only when accompanied by a protest fee of \$5.00. This fee will be forfeited unless protest is sustained by a Protest Committee appointed by the Division Superintendent.

Exhibitors and their agents will not be permitted to converse, or otherwise interfere with the judge while the awards are being made. Failure to conform to this, and other rules of the Department will exclude the exhibitor from the show, and all premiums previously won will be forfeited.

After the judging the management will endeavor to place on the coops any advertising material supplied by the exhibitor for his coop.

Mail entries, make checks for entry fees payable to, and address requests for additional entry application forms and further information, to: **MANAGER, N. C. STATE FAIR, P. O. Box 5565, Raleigh, N. C.**

Except in cases of conflict, in which the following Rules and Regulations will prevail, the General Rules and Regulations of the Fair, and the General Rules and Regulations of the Poultry and Small Stock Division, will govern this department. **BE SURE TO READ BOTH BEFORE ENTERING OR COMPETING IN THIS DEPARTMENT.** Some—but not all—are repeated herewith for emphasis, and others of the following Rules and Regulations apply only to this department.

The conduct of the show will be in accordance with the latest revised official show rules of the American Rabbit and Cavy Breeders Association. Interpretation of these, and other rules of this department will be invested in the Department Directors, the Judge and the Division Superintendent. Their decisions will be final, except in the case of official protest as explained in the General Rules and Regulations of the State Fair.

This show is sanctioned and conducted in cooperation with the North Carolina Rabbit Breeders Association. However, membership in or registration of animals with the North Carolina or American associations is not required to enter or compete.

Entries

MAKE YOUR ENTRIES EARLY. The right is reserved to reject applications received after all available space is taken.

Official printed forms must be used in making applications for entry. One will be found in the back of this book. Additional copies are available upon request. Use separate forms for entries in other departments.

Be sure to fill in the application form completely, accurately and legibly. Give your rural route number, post office box number, or city street address.

List the premium number under which each entry is made. **THIS IS VERY IMPORTANT.** For instance, if you were entering a Senior Doe American White rabbit in the individual class, you would list "13" in the column headed "Premium List No." on the entry form (SEE PREMIUM LIST). Be sure to also give the other information requested on the application form.

Rabbits entered in the Fur and Wool Classes must also be entered in the individual classes.

No exhibitor will be permitted to make more than three entries or win more than three premiums in any one class.

Exhibits and Judging

The Fair management will use diligence to insure the safety of stock, and will have qualified attendants on duty day and night to feed, water, and care

for the animals, but under no circumstances will it be responsible for loss, injury, theft, or damage by fire, lightning, wind, or any other cause.

Stock arriving sick, or becoming ill at the show, will be removed and placed under the care of a veterinarian.

Shipments of stock must be prepaid. The Fair management will not be responsible for any shipping, drayage or other transportation charges to the Fair. Shipments should be addressed to: DIRECTOR, RABBIT DEPARTMENT, N. C. STATE FAIR, RALEIGH, N. C. Return shipments will be made collect by the Fair, without drayage charge, if directed by the exhibitor on his application form. Shipping crates should be strongly constructed and have the owner's name and address plainly and permanently marked thereon. The Fair management will not be responsible for any loss or damage.

No person will be allowed to handle his or her exhibits, or any other exhibits, without permission of the department directors. Any exhibitor interfering with, attempting to influence, criticizing, or otherwise causing delay and confusion during the judging, will be barred from further competition and will forfeit all awards and premiums previously won. The judging will be done within an enclosed arena and only officials of the show and their designated helpers will be permitted thereon.

Each animal must have a permanent ear mark, which must be listed on the entry form. No adhesive tape or pencil marks will be accepted.

Premiums will not be paid for "Best of Breed" or "Best Opposite Sex" unless there are at least four classes to compete for the award.

The right is reserved to substitute another judge in case the judge listed is unable to officiate. Each animal must be entered in the name of the bona fide owner, otherwise exhibitor forfeits all entry fees and premiums.

North Carolina State Fair Youth Center

General Information, Rates and Availabilities

The North Carolina State Fair Youth Center is a modern, four-building group consisting of two dormitories, a cafeteria-recreation hall, and the office-home of the superintendent. It is located in a wooded area of the North-west corner of the grounds above one of the lakes. It was built as a home-away-from-home for the junior exhibitors at the Fair. During Fairtime the Center is operated by a staff of experienced men and women under the supervision of staff members of the State College Extension Service.

Throughout the year, other than at Fairtime, the facilities are available to both youth and adult groups (representing schools, civic clubs, churches, etc.). The accommodations are excellent for groups wishing to stay one or more nights in the Capital City while visiting the many points of interest in "The Magic Research Triangle" of Raleigh, Durham and Chapel Hill. The rates are very reasonable. While the cafeteria is operated only at Fairtime, good meals are obtainable nearby, and those wishing to prepare certain meals often bring foods for breakfasts and "cookout" or picnic suppers, and their small electric appliances. The electrical outlets of the recreation hall may be used for this purpose. The delightful location of the Center makes it an ideal spot for outdoor meals, while the recreation hall provides game and play space in case of inclement weather.

At Fairtime, arrangements for lodging and meals are made by the Vo-Ag Teachers, 4-H Leaders, and Farm and Home Agents of each county. Reservations should be requested well in advance, and all applications (with deposit) mailed to RESERVATIONS MANAGER, The Youth Center, P. O. Box 5565, Raleigh, N. C. NORTH CAROLINA STATE FAIR

TONY PRESENTS

"A Trip Around The World"

For the 1964 North Carolina State Fair Tony Vitale presents an elaborate and colorful program of fireworks depicting some of the world's most famous landmarks, each evening, Monday thru Saturday, as the finale of the Grandstand show.

A descriptive story of each of the beautiful structures will accompany its presentation. This type program, was originated last year by Tony Vitale and Dougald Coxe, of the State Fair staff, for the 300th Anniversary observance of the Carolina Charter. Then, as this year, the narrative was prepared by Robert Jones, of the Department of Archives and History, and voiced by Norman Larsen of the Centennial Commission.

See such Wonders of the World as the Leaning Tower of Pisa, Big Ben, Eiffel Tower, Statue of Liberty, the Taj Mahal and others.

Seventeenth Annual State Fair Folk Festival

DEPARTMENT "Z"

SUPERINTENDENT:

BASCOM LAMAR LUNSFORD, South Turkey Creek, Leicester, N. C.

ENTRIES: All individual and group entries may be made by letter to Supt. Lunsford, in care of State Fair, P. O. Box 5565, Raleigh, N. C., prior to Saturday, October 10, 1964. Earlier entries may be made by writing direct to Mr. Lunsford prior to September 30, at his home address, given above.

In setting up the North Carolina State Fair Folk Festival in 1948 our sponsors had a two-fold purpose in mind:

First: To provide additional high type and wholesome entertainment for the Fair visitors, especially those of our own state and their children who have a material and cultural interest in the Fair proper, and

Second: To encourage and foster efforts among the people of the state to preserve and develop our rich heritage of native folk arts in the forms of balladry, folk song, Gospel singing, traditional folk games and dances, and string music; to the end that the benefits derived from seeing this material presented at its best may be extended to other interested recreational and social groups throughout the state who prize its value.

FOLK FESTIVAL

Daily Program

To carry out the purposes above set forth, three separate programs a day for each day of the Fair will be conducted. Programs at 11:00 a.m., 2:00 p.m., and 5:00 p.m., at which time each group or individual appearing on the program is to be judged. They are expected also to appear again the same day, and they may appear again during the Fair week if time will permit.

Prizes and Trophies

Premium money totaling one thousand dollars (\$1,000) has been set aside for trophies and cash prizes to be awarded. In each of the following classes, the first place award also includes a beautiful trophy cup.

	1st	2nd	3rd	4th

(*) Trophy also will be awarded to first place winner.

Judges

Judges for these contests are chosen who are well versed in this type of Folk material and who understand that we are making no effort to standardize the various forms of folk expression. The effectiveness, the entertainment appeal, the folk value of the selection, the grace and manner of execution, skill, voice, harmony; all are to be considered by the judges who will use their own methods in arriving at their decisions, keeping these forms as close to the people as possible.

Festival Badges

All participants are urged to communicate with the Festival Director well in advance of the opening of the Fair in order that time can be arranged for their appearance and that Festival badges or passes may be issued them for the Fair week. It is our wish that they attend several days of the Fair to enjoy the Festival and to appear on the program again if they desire to help entertain our Festival audiences and to share in the fellowship of this annual occasion.

HANDI-CRAFT DEMONSTRATIONS

The Village of Yesteryear was established in 1951 as an educational division of the State Fair, with the hope of renewing interest in our age-old arts and crafts. This department features craftsmen at work in the many varied crafts from wood carvings to weaving, and basketry to candle wicking.

This opportunity for demonstrating skills is open to all craftsmen of North Carolina and the Southern Highlands Area. Interested persons should contact Mary Cornwell, Home Economics Extension Agent, Waynesville, N. C., for all details.

Demonstrators may compete, individually or in groups for "Awards of Merit" for their educational exhibit and daily demonstrations. They will be judged on attractiveness, originality, educational value and interest of demonstration to the public.

The Eleventh Annual North Carolina

APPRENTICE BRICKLAYING CONTEST

DEPARTMENT CC

SUPERINTENDENT

C. L. BEDDINGFIELD, Director, Division of Apprenticeship Training, N. C. Department of Labor, Raleigh, N. C.

COMPETITION:

Limited to registered apprentices training under a program approved by the State Apprenticeship Council, who have completed less than 4,000 hours of training.

ENTRIES:

Contestants must file official entry blanks with the Director (at above address) on or before October 9, 1964.

DATE:

Contest is held as a feature event of State Fair, on Friday, October 16, 1964, starting promptly at 10:00 A.M., in open fairway adjacent to Industrial Building.

JUDGING:

On completion of project a panel of five masonry experts will judge the competition according to official scorecard.

AWARDS:

U. S. Savings Bonds of \$200, \$100, and \$50, will be awarded First, Second and Third place contestants, donated by the Brick and Tile Service of N. C., Inc; TROPHIES will be awarded the Champion Bricklayer and his employer by Carolinas Branch, Associated General Contractors of America, Inc.

TOOLS donated by manufacturers and suppliers will be presented to all contestants.

Designed to promote interest among young Tar Heels in the skilled construction trades, the Apprentice Bricklaying Contest has become a popular annual event at the State Fair since the first such competition was held in 1954. About 30 apprentices usually match their skills in the contest, according to the records of the last few years.

The bricklaying contest dramatizes a program which the State has sponsored through the past two decades since the Apprenticeship law was enacted by the General Assembly in 1939. Offering young people of the State an opportunity to acquire skill and proficiency in any of the skilled trades, the Apprenticeship Program has turned out thousands of skilled workmen. At present, approximately 3,000 young people are receiving apprenticeship training on the job under direction of journeymen, supplemented by related classroom instruction. The apprentice "earns while he learns."

Contest sponsors include the following:

N. C. Department of Labor, Division of Apprenticeship Training.
Bureau of Apprenticeship and Training, U. S. Department of Labor.
Carolinas Branch, Associated General Contractors of America, Inc.
Brick and Tile Service of North Carolina, Inc.
Construction Apprentice Council in North Carolina.
North Carolina Conference of the B.M. and P.I.U.

North Carolina Chapter, American Institute of Architects.

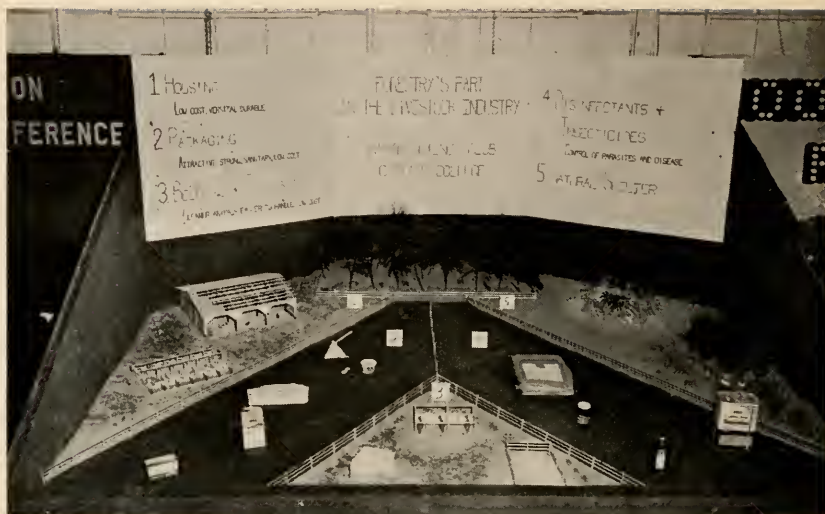

N. C. Department of Trade and Industrial Education.

Carolina Lumber & Building Supply Association.

An additional honor accorded the top bricklaying contestants of recent years has been presentation of the bond and trophy awards by the Governor of North Carolina. Special presentation ceremonies have been held in the State Capitol in which the Governor honors the bricklaying champion and his employer.

For several years the management of the N. C. State Fair has made space available for our Ag Fair. The "Ag Fair" is thought of as a "fair within a fair". In 1963 the following clubs competed for awards: Agricultural Education, Agricultural Engineering, Agronomy, Animal Science, Pre-Veterinary, Horticulture, Poultry, and Leopold Wildlife.

The Agronomy Club won first place, second place was won by the Animal Science Club, and third by the Agricultural Engineering Club.

The Ag Fair provides an excellent opportunity for the students in the agricultural school at N. C. S. to convey their ideas and ingenuity to the people who attend the fair.

"Food and the Future"

THEME OF THE 1964 STATE FAIR

DEPARTMENT "EE"

SALUTING

The Food Industry as a Prime Factor of North Carolina's Economy

EXHIBIT PLANNING COMMITTEE

DAVID S. WEAVER, General Chairman

GEORGE W. SMITH, Producing

GEORGE CAPEL, Marketing

JOHN CHRISTIAN, Processing

MISS VIRGINIA WILSON, Consuming

Since 1954, the North Carolina State Fair has shown each year a Theme Exhibit in which a principal commodity of agricultural importance, or a service directly concerned with agricultural growth and improvement, has been featured.

From the growing plant or baby animal to the processed and packaged end-product ready for over-the-counter-sale to the consumer, stories have been graphically presented of such farm commodities as tobacco, cotton, poultry, dairy products, wood products, food meat animals, ornamental plants and flowers, and the agriculturally related services rendered by our educational institutions and our news media.

These exhibits have been largely concerned with the accomplishments and developments within these agriculturally-related industries from colonial times to the present day. Each has told a most effective story of its history, its growth and its influence on the economy of the state. And, they have been of great interest to the Fairgoers.

In 1964, the Theme Exhibit, under the title of *Food and the Future*, will attempt by projection and interpretation to tell what food crops can mean to the general economy of North Carolina if a program of practical development of interrelated agricultural production, processing and marketing is adopted—for food, such as we now have within the state for such crops as cotton, tobacco and wood products.

The Theme Exhibit seeks to answer the general community-by-community demand coming from each of our one hundred counties, asking:

“How can we make better use of our labor supply?

“How can we make better use of our fine, highly productive lands which have been idled under the controlled-crop farming plan?

“How can we make better use of local capital to attract more industry?”

The several displays making up the Theme Exhibit will deal with Food in its broadest scope. First, as they depict the production of raw food products as it relates to the most profitable use of our vast land and water resources. Second, they will deal with the processing and marketing of food products as the necessary expansion of plant facilities develop a fuller utilization of capital and labor resources to the greatest advantage of the general economy of the state.

And, from the consumer's viewpoint, the home economists will tell of better tasting foods of improved quality coming from the research kitchens. The greater retention of natural minerals, vitamins and other nutriment as well as flavors are a prime concern of those developing processes of food preparation by preserving and canning, freezing and dehydration.

Participating in the presentation of this comprehensive exhibit will be the research, teaching and extension staffs of several divisions of North Carolina State's School of Agriculture, together with staff members of several divisions of the North Carolina Departments of Agriculture and Conservation and Development.

Joining with these agencies will be representative groups from the several commodity trade associations, seafood interests, food processors, distributors, retailers and financial institutions.

In commending this exhibit to the Fairgoer, Commissioner of Agriculture L. Y. Ballentine, acting-Manager of State Fair says: “This type of overall program, as proposed by the Theme Exhibit, would meet much of North

Carolina's demand for income-crop use of lands idled by crop-control legislation. It could bring order and prosperity to our stagnant seafood industries. It would make a place on the farms and/or in the processing plants for the state's displaced farm labor. It would develop vast investment opportunities for local capital as well as for our financial institutions. It would give the state exportable processed foods, after supplying our own needs, and it would retain a much larger percentage of our own food dollars in the bank accounts of our farmers, our industrial workers and our processing and marketing firms."

THE SYMBOL selected to represent the various elements of the theme is the work of artist Richard Behrends of High Point. Mr. Behrends says:

The three human forms symbolize the North Carolina consumer and the expanding population and the fact that all food production is ultimately for human consumption—to benefit North Carolinians both financially and nutritionally.

The plant symbol, of course, represents everything growing, both products produced for table use and grown for meat animal and poultry feeds. The calf actually stands for all meat products, poultry, red meats, fish, etc. The sun-like element at the top represents the elements necessary to produce a good crop, but has a secondary feature in conveying the industrial involvement with food, something like a gear.

The base line for the figures, the plant and the calf, represents the soil and below that the necessary water to make all things grow, and also conveying seafood possibilities. All in all, the design is bold, simple and sturdy to convey the progressive, forward-looking attitude necessary to prepare for the future needs of the state's agriculture.
